Section 1A: Chatting (Starting a Conversation and Replying)

1. Click in the **conversation field** at the bottom of the screen. To send your message hit **Enter** on your keyboard, **or** click on the **Arrow** to the **far right**.

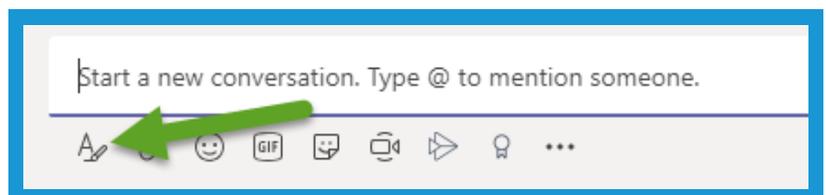

2. Click the **Reply** button when **responding** to a **conversation**. **Do not respond** in the conversation field at the bottom of the screen.

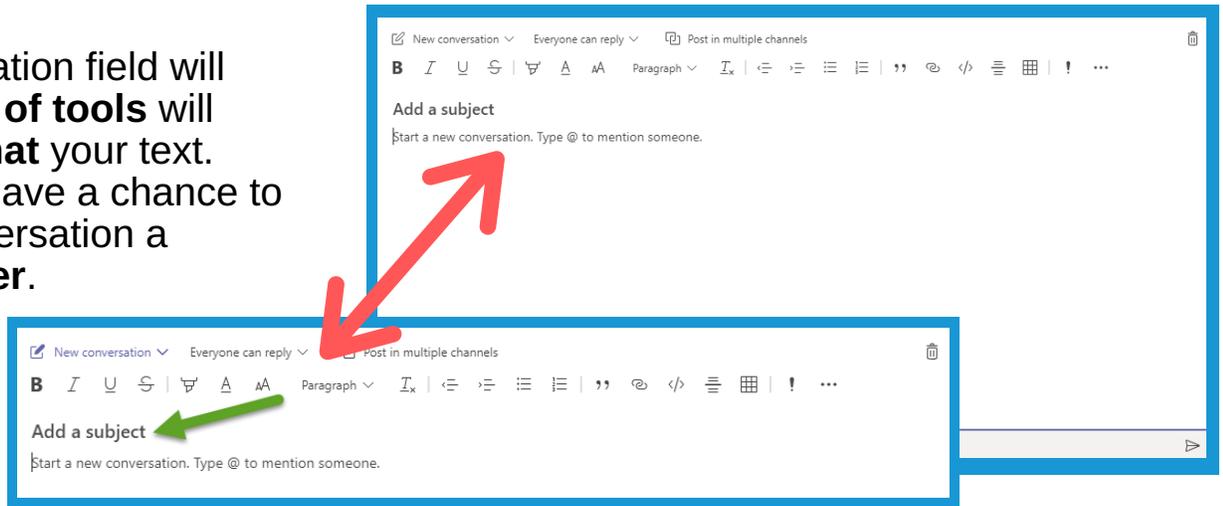

Section 1B: Chatting (Formatting the Conversation Field)

1. Click the **formatting** button located **below** the **conversation field**.

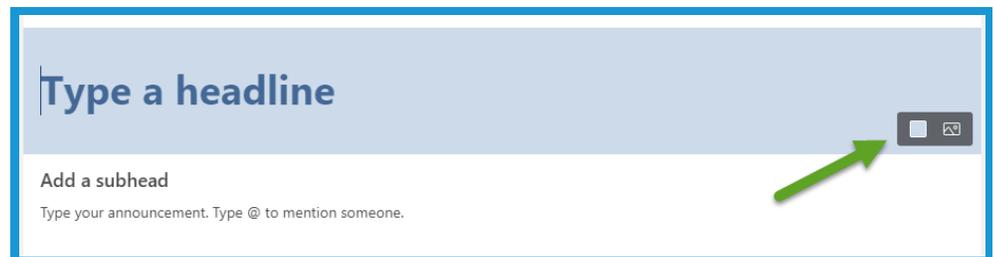

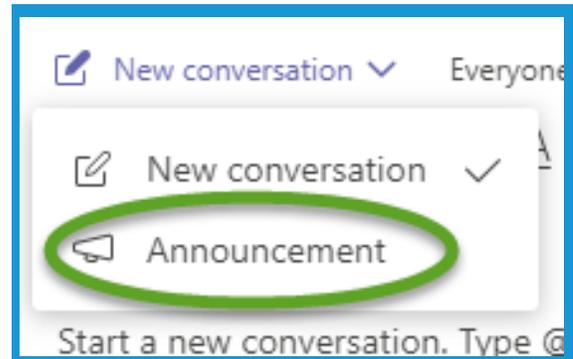

Section 1B: Chatting (Formatting the Conversation Field)

2. The conversation field will **expand**. A **list of tools** will display to **format** your text. You will also have a chance to give your conversation a **Subject Header**.

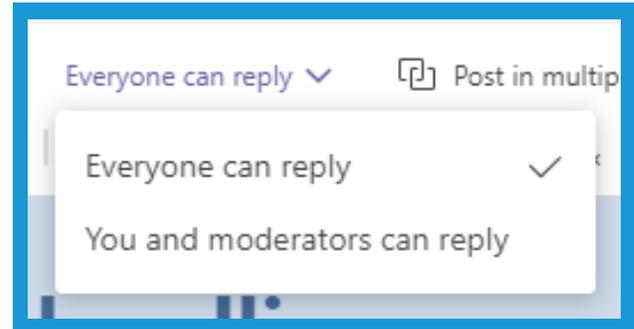

3. Click on **New conversation** to turn your post into an **Announcement**. You can then change your **header color** and **upload a picture**.

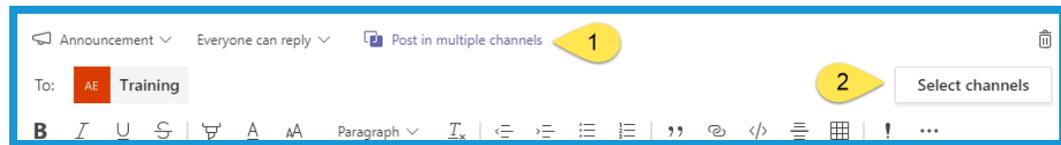

Section 1B: Chatting (Formatting the Conversation Field)

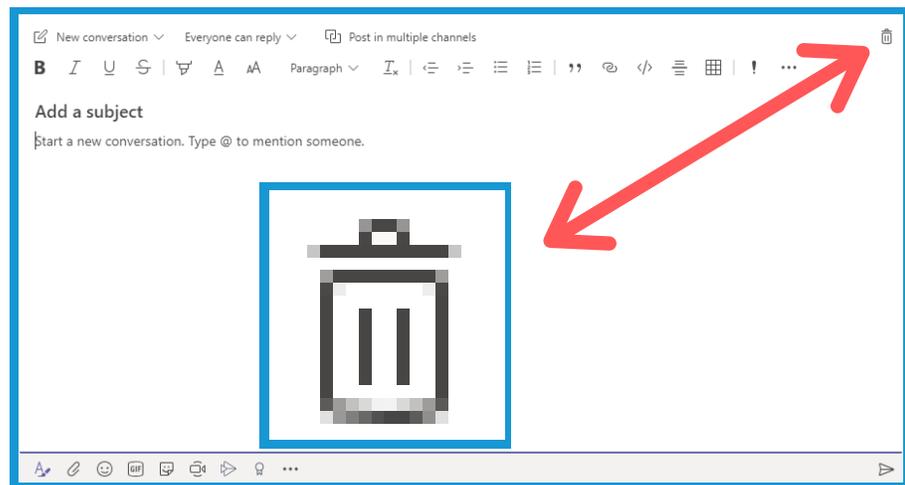

4. Click on **Everyone can** reply to **limit** who can **respond** to your entry.

5. Click **Post in multiple channels** to send your message to **other channels** in your account.

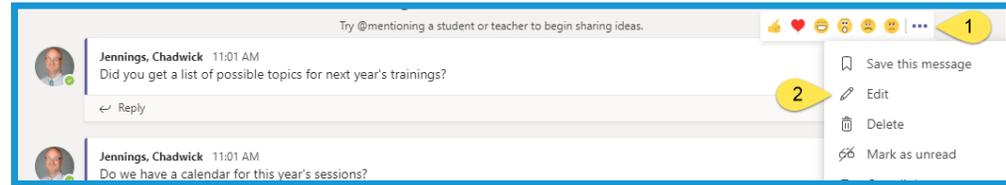

6. Click the **trash icon** if you want to **delete** your conversation before sending.

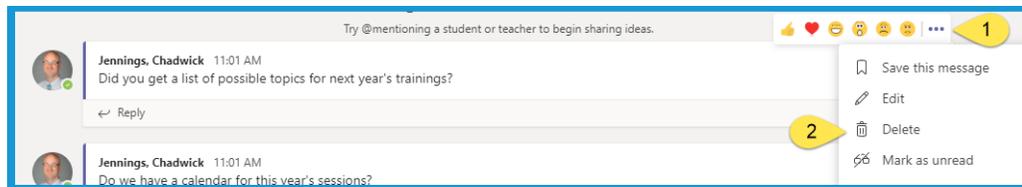

Section 1C: Chatting (Edit a Post)

1. Place your mouse over a **conversation thread**. Click the **three dots** to the **right** of the **emojis** that appear, and select **Edit**.

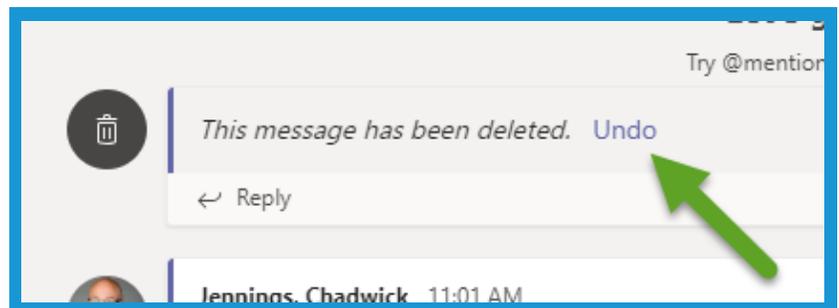

Section 1D: Chatting (Deleting and Undoing)

1. Place your mouse over the **conversation thread**. Click the **three dots** to the **right** of the **emojis** that appear, and select **Delete**.

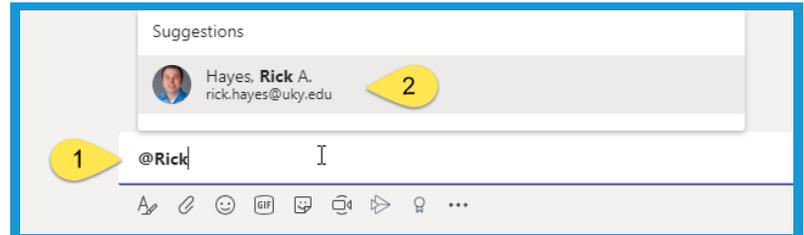

2. Click **Undo** where the **deleted** conversation thread **use to be** to bring the information **back**.

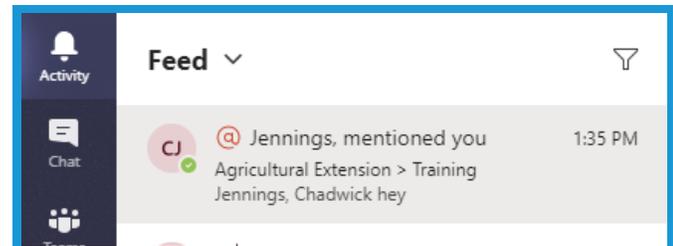

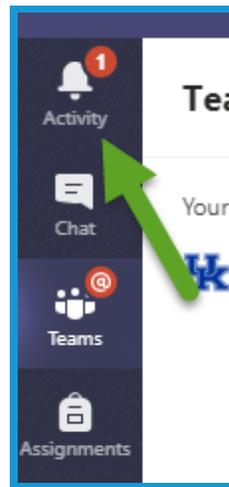

Section 1E: Chatting (Tagging)

1. Type "@" in a **conversation thread** and start **typing a Name or Team**. The name will **auto-populate** for you to select the result. The **person or Team** chosen will be alerted to the post.

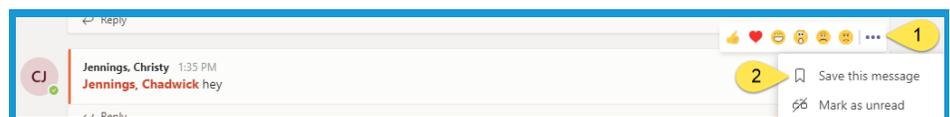

Section 1F: Chatting (Activity Button)

1. Click on the **Activity Button** when you see the **red number** in the **upper corner**. The **alerts** will appear to **right**. Click on the **alert** to **navigate** to the location.

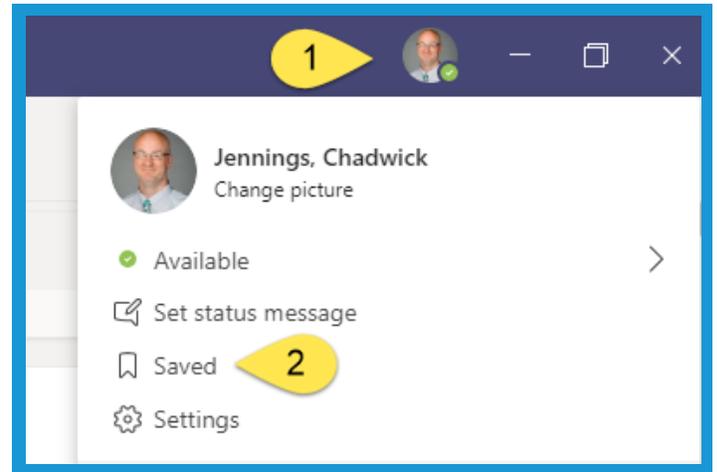

Section 1G: Chatting (Save a Message)

1. Place your mouse **over the chat field**. Click on the **three dots** that appear to the **right of the emojis**. Select **Save this message**.

Section 1G: Chatting (Save a Message)

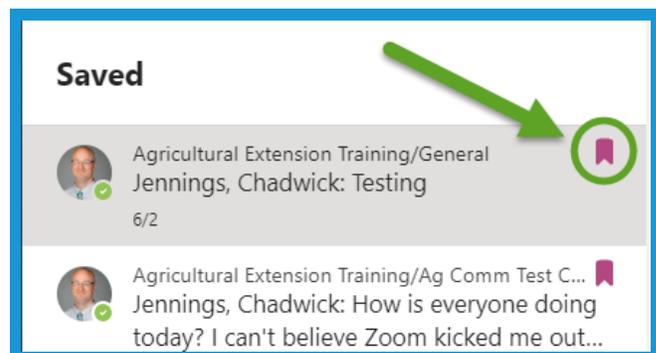

2. Click your **Profile** button in the **upper right corner**. Select **Saved**.

3. Your **saved messages** will appear in the **pane** on the **left of the screen**. Click on the desired message to make it appear to the **right**.

4. In the **Saved message pane**, click the **purple flag** to the right of the message to **unsave the thread**.

Section 1H: Chatting (Attaching Files)

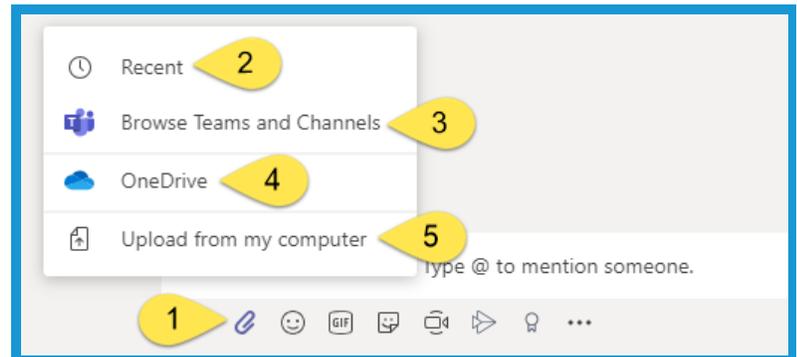

1. Click on the **Paper Clip** icon **below** the **conversation field** to load a file to the conversation.

a. Click **Recent** to load any files that were viewed previously.

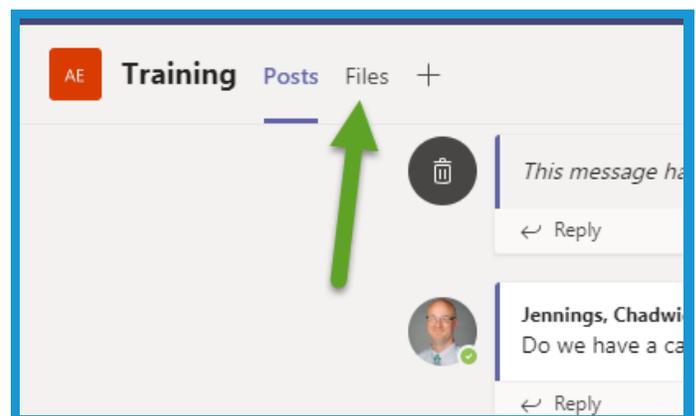

b. Click **Browse Teams and Channels** to load any files are **already** located in your Teams account.

c. Click **OneDrive** to load files from your OneDrive Account.

d. Click **Upload from my computer** to load files from your computer.

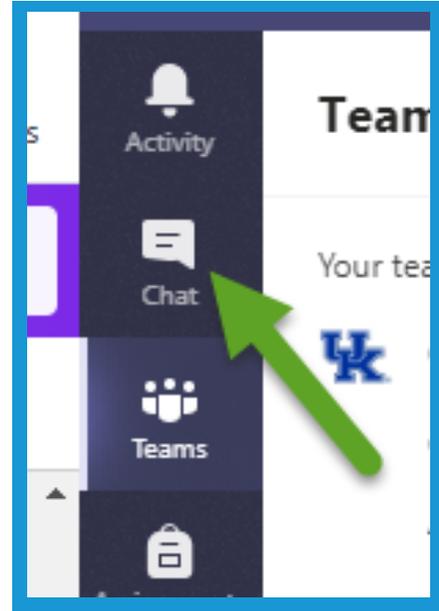

2. **Any files** that are **loaded** into the **chat area** can **also** be found in the **Files tab** located at the **top** of the screen.

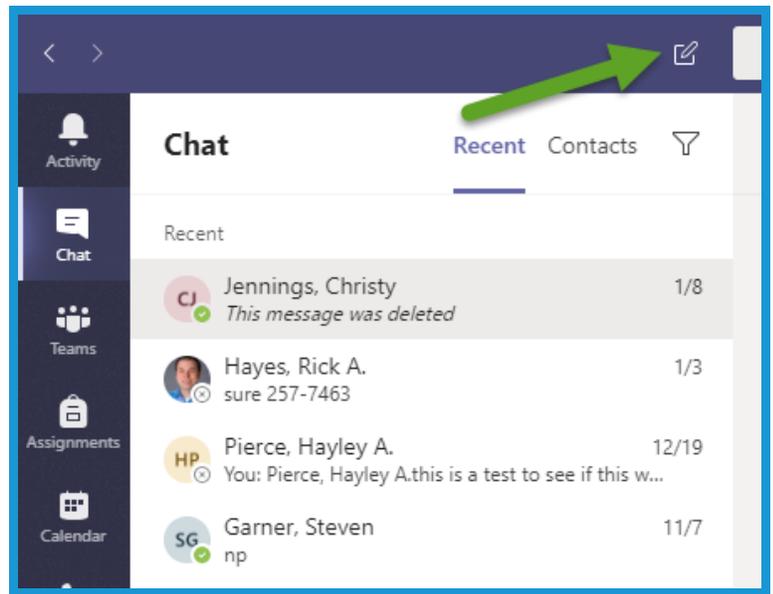

Section 2A: Private Chat (Getting Started)

1. Click on the **Chat** button in the **navigation pane** on the **upper left side** of the screen.

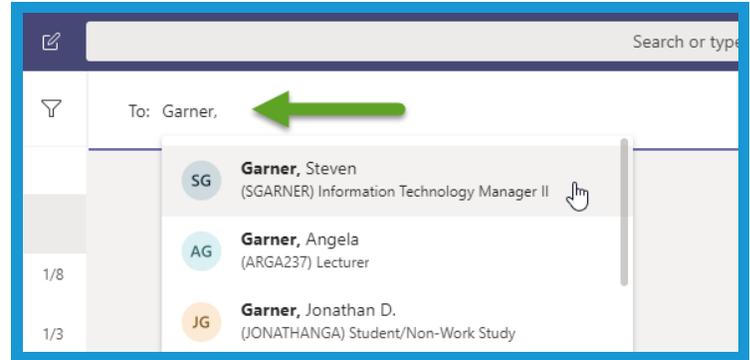

2. Click the **Compose** button to start a new chat.

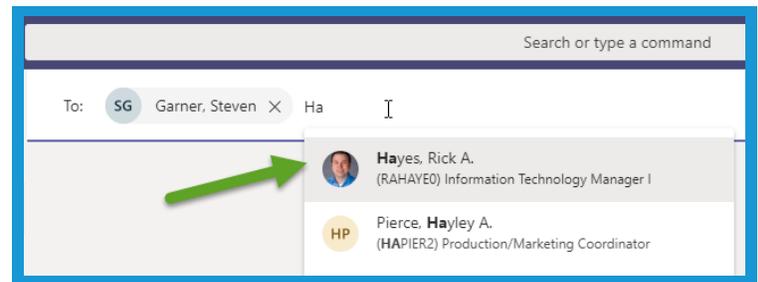

Section 2A: Private Chat (Getting Started)

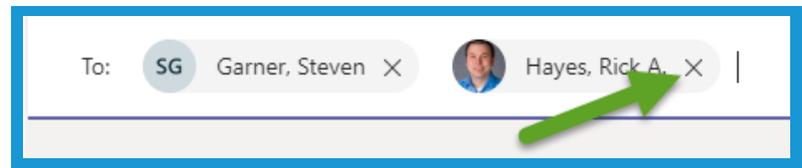

3. **Type** in the person name that you are wanting to chat with. If they are **in the organization**, they will **auto-populate** for you to click on.

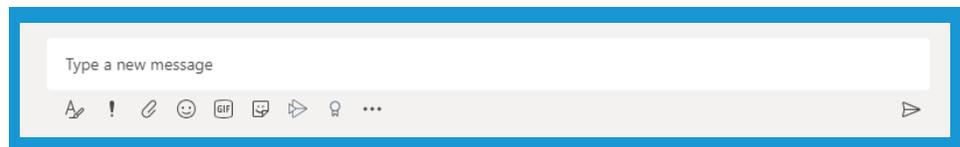

4. **Continue** to **add people** to the chat, by **typing and clicking on** other names.

5. Click on the **"X"** next to a person's name if you accidentally added them.

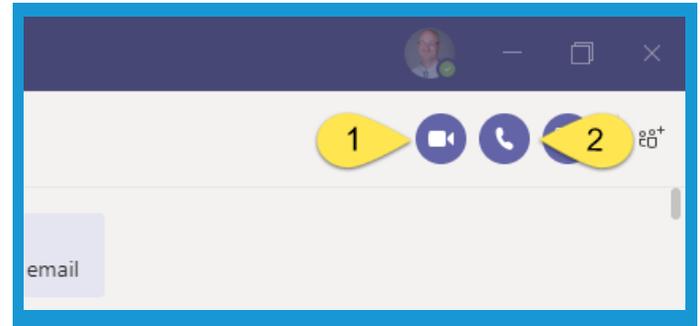

6. Start typing in the **conversation field** to begin the conversation. Hit the **Enter Key** to send the message. To see about the **various options** of the **conversation field** see **Section 8 (Pages 19 - 26)**

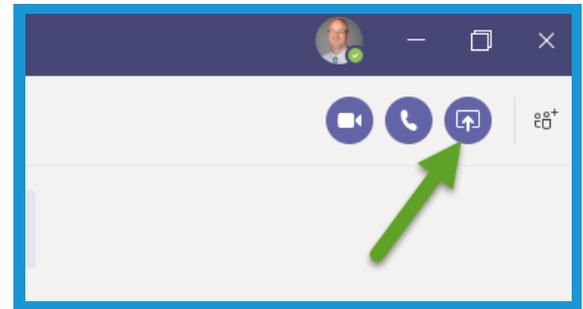

Section 2B: Private Chat (Video or Audio Call)

1. Click on the **Camera button** on the **upper right corner** to start a **video call**. Click on the **Phone button** to begin an **audio call** using your **computer's microphone**.

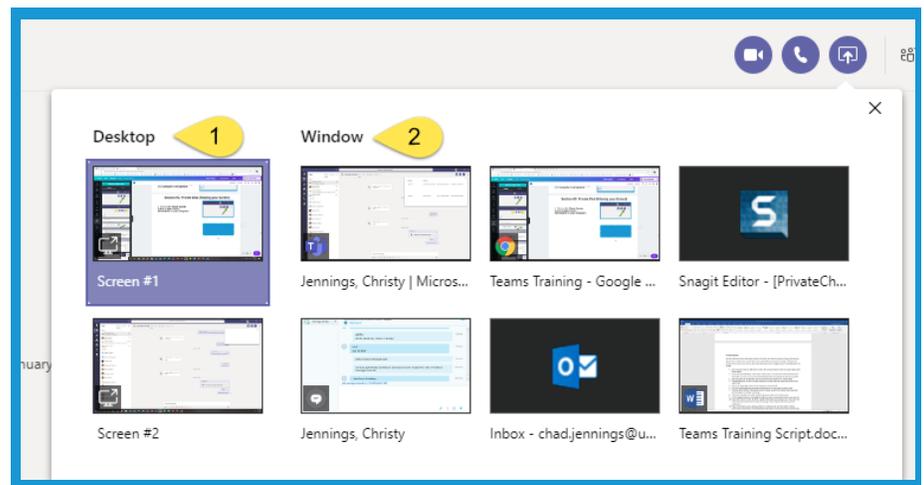

Section 2C: Private Chat (Sharing your Screen)

1. Click on the **Share Screen** button to **start sharing information on your computer**.

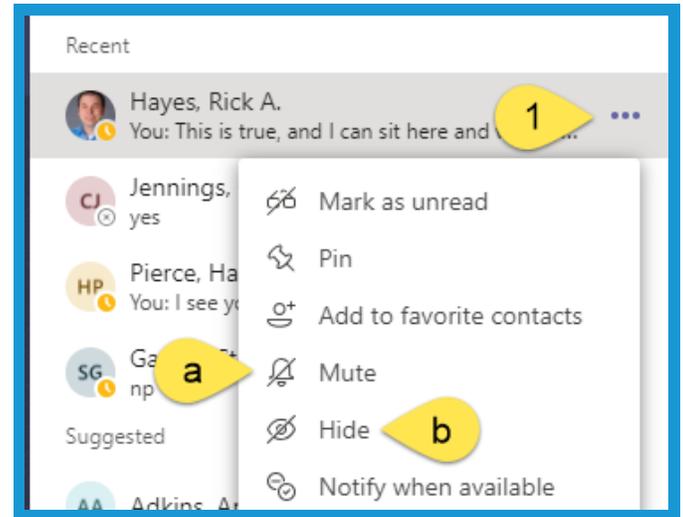

2. In the **new window** determine if you want to **share your desktop** and **which screen**. You can also share a **specific window** if you **don't** want the user to be **distracted by other activity** on on your computer.

Section 2D: Private Chat (Hiding and Deleting)

1. Place your mouse over a chat in the chat pane. Click on the three dots.

- Mute will turn off alerts from the conversation
- Hide will delete the conversation from the Chat pane. Starting a new conversation with the same person/group will return the chat history.
